

STANDARD LIMITED WARRANTY

Every tire, tube and wheel supplied by TIRECO is warranted to be free from defects in materials and workmanship subject to terms, conditions and limitations as stated below. If our examination of a warrantable product determines that the product has failed due to a defect in materials or workmanship, we will make a reasonable allowance toward the purchase of a new product at current prices or other adjustment within our discretion. Adjustments will be made on a pro-rata basis determined by the amount of usage or service received by the product and will be based on the most recent purchase price (proof of purchase is required).

Terms, Conditions and Limitations

Any product, no matter how well constructed may fail in service or become unserviceable due to conditions beyond the control of the manufacturer. Under no circumstance is this limited warranty a representation that a tire, tube or wheel failure cannot occur.

This warranty is only applicable to products sold in and used on vehicles registered & operated in the United States, U.S. Territories, Canada and Mexico. In addition, this warranty is applicable to the original purchaser of the product and this warranty is not transferable. The costs of mounting, balancing and other associated services as well as any applicable Federal, State or Local taxes are not covered by this warranty.

This limited warranty does not cover and TIRECO will not adjust any of our products against road hazards such as but not limited to cuts, punctures (whether repairable or not), snags, bruises, tears, impact breaks, etc. Products are also not warranted if damaged due to misuse such as but not limited to improper installation or mounting, misapplication, repair, overloading, improper inflation, excessive speed, racing, spinning, drifting, unintended off-road use, stone drilling, improper use of chains, use of non-approved or non-standard rims (as determined by the Tire and Rim Association), continued operation while severely under-inflated, misalignment or imbalance of wheels/rims, defective brakes or shock absorbers, abuse, accident or collision, willful damage, oil or chemical action, improper storage, fire or other excessive heat, vandalism, and water or other material entrapped inside the product.

Specific Tire, Wheel and Tube Limitations & Exclusions:
